OBJECTIVE	To apply and expand my knowledge in Information Technology by gaining practical experience in system development, networking, and software solutions. As an Advanced Diploma in IT student with a strong foundation from my Diploma studies, I aim to contribute to innovative projects, enhance my technical and problem-solving skills, and prepare for a successful career in the IT industry
SKILLS & ABILITIES	TECHNICAL SKILLS ▪ Programming Languages: Java ,C#, Python, SQL ▪ Mobile App Development: Flutter, Dart, Firebase ▪ Web Development: HTML, CSS, JavaScript, PHP ▪ Database Management: MySQL, SQLite, Oracle ▪ Version Control: Git, GitHub ▪ Networking: Configuration, Troubleshooting, Maintenance ▪ Cybersecurity: Data protection and system security basics ▪ Software Development Life Cycle (SDLC) understanding
EXPERIENCE	KINETIX ENGINEERING SOLUTIONS IT Intern – 20 November 2024 – 15 September 2025 ▪ Developed web, mobile, desktop applications (coding, programming) ▪ Working closely with the IT team to help with writing, checking, and fixing computer code. ▪ Helped make sure systems are backed up and kept clear records of IT work. ▪ Assisted in technical problems, help look into them and suggested ways to fix them. ▪ Provided technical support for hardware, software, and network-related issues within the organization. ▪ Assisted in installing, configuring, and maintaining computer systems and devices. ▪ Supported database updates, system backups, and routine maintenance tasks Accomplishment: ▪ Successfully reduced system downtime by assisting in the implementation of improved maintenance procedures, which enhanced overall IT efficiency.

EDUCATION	CENTRAL UNIVERSITY OF TECHNOLOGY – BLOEMFONTEIN DIPLOMA IN INFORMATION TECHNOLOGY 01 January 2025 ▪ Software Development & Programming ▪ Database Design and Management ▪ Web Development (HTML, CSS, JavaScript, PHP, Flutter, Firebase) ▪ Networking and Security ▪ Systems Analysis and Design ▪ IT Project Management Certificates ▪ Introduction to Cybersecurity Certificate ▪ Introduction to Data Science Certificate ▪ Introduction to modern AI Certificate ▪ Using computer and mobile devices
COMMUNICATION	▪ Presented a final-year IT project to faculty and peers at the Central University of Technology, receiving excellent feedback for clarity, design, and innovation. ▪ Collaborated effectively with a multidisciplinary team to develop and deliver technical solutions within project deadlines. ▪ Communicated technical concepts clearly to both technical and non-technical audiences during presentations and team meetings. ▪ Recognized for leadership and teamwork skills in group-based coursework and internship projects. ▪ Known for maintaining a positive and proactive attitude when solving problems and assisting colleagues.
LEADERSHIP	Team Lead, Student Sphere App Project (University Project) ▪ Coordinated a team of 4 students to develop a Flutter-based mobile application. ▪ Assigned tasks, tracked progress, and ensured project milestones were met on time
